IMPORTANT ACCESS INFORMATION:

The GSNL Community Meeting will be held at UN Office for Outer Space Affairs premises in the Vienna International Centre on 7 May 2026, hosted in the UNOOSA Committee Rooms.

Participation is open to all on a first-come, first-served basis; however, ***advance registration is mandatory*** to avoid security issues at the entrance gate.

Send to andrew.eddy@athenaglobal.com your name, email, organization, nationality and passport number **by 29 April 2026**.

Meeting participants are advised to arrive at Checkpoint 1/Gate 1 of the VIC one hour before the start of the meeting to allow for timely registration, security screening and issue of grounds passes. A security check like those at airports takes place prior to entering the VIC Gate 1 building.

To enter the VIC, participants must present a **valid passport** at the United Nations Pass Office, with no exceptions allowed. Security regulations require that all participants register at Gate 1 prior to the event. After presenting the required identification to the UN Security Pass & ID Office, meeting participants will be issued a grounds pass. It is mandatory to wear the grounds pass visibly at all times while on the VIC premises.
